

FeliGum® Trojaner

„Hide-away treats“ for dogs and cats.
Particularly palatable and, thanks to the soft consistency, ideal for hiding tablets.

As of 08/25

FeliGum® Trojaner are particularly palatable and, thanks to their soft consistency, well suited for hiding tablets.

If the dog or cat does not yet know **FeliGum® Trojaner**, one or more pieces should first be fed without a tablet. To give a tablet, the tablet is pressed into a portion of the **FeliGum® Trojaner** mass and enclosed in it by lightly pressing the edges together. However, **FeliGum® Trojaner** should be touched, shaped or warmed by hand as little as possible so as not to impair the good acceptance. One piece of **FeliGum® Trojaner** can be given several times a day and should be repeated frequently for habituation.
