

RodiCare® akut

Complementary feed for rabbits, guinea pigs, and small rodents

Supports the regulation of digestive processes

NO
ADDED
SUGAR

Gentian, rhubarb, and greater celandine stimulate digestive activity.

Chamomile, peppermint, caraway, and fennel soothe and relax the intestines.

Blackberry helps calm the gastric and intestinal mucosa.

Inactivated yeast supports the restoration of the natural gut microflora.

Beneficial flavoring agents (milk thistle extract, artichoke extract, licorice root extract, and turmeric extract) also enhance palatability and digestibility.

In today's feeding practices, rabbits, guinea pigs, and small rodents rarely receive the digestive-supporting wild herbs that would naturally be available in the wild.

RodiCare® akut supplements a low-herb diet with valuable secondary plant compounds that naturally regulate digestive processes.

Composition:

Linseed oil, rapeseed oil, sunflower oil, soybean oil, brewer's yeast 2%, [peppermint leaves (dried), chamomile flowers (dried), greater celandine, fennel seeds, blackberry leaves (dried), gentian root, rhubarb root, caraway seeds], macerated 1.5% each, [peppermint leaves, chamomile flowers, greater celandine, fennel seeds, blackberry leaves], ground 0.1% each, [gentian root, rhubarb root], ground 0.05% each

Analytical Constituents:

Crude protein	1,4 %	Crude fibre	0,8 %
Crude fat	54,5 %	Crude ash	0,9 %
Sodium	0,07 %	Moisture	38,4 %

Zusatzstoffe pro 1000 ml:

Lecithins	25.000 mg
-----------	-----------

Flavouring substances:

Milk thistle extract	25 ml
Artichoke extract	15 ml
Licorice root extract	15 ml

Turmeric extract

15 ml

Feeding Recommendation:

Administer over food or directly into the mouth.

According to body weight, the following dosages apply:

Mice, dwarf hamsters:

3 times daily, 0.05–0.1 ml

Gerbils, rats, hamsters:

3 times daily, 0.15–0.2 ml

Guinea pigs, dwarf rabbits:

3 times daily, 0.25–0.3 ml

Rabbits:

3 times daily, 0.35–0.6 ml

Notes:

Shake well before use!

Rinse syringe after each use.

Store below 25 °C and protect from light.

Use after opening.
